

OFFICES AND PUBLIC SPACES

Temporary, short term or one time cleaning & disinfecting

Let us be your partner in

COVID-19 / CORONAVIRUS

cleaning/disinfecting

ELEMENT is available to immediately assist in cleaning and disinfecting your offices, lobbies and public spaces, for the safety of your employees and guests

ELEMENT

ELEMENT is the leading tent and event equipment rental company in Louisiana. We specialize in setting up flawless weddings, then breaking them down and cleaning up immediately afterward. We have the skilled, fast and professional staff and equipment necessary to meet your cleaning needs. Our employees are locals who have an interest in keeping the community safe.

According to the CDC, surfaces need to be both cleaned and disinfected to combat against contravirus. Does your currently cleaning company know the difference? We are here to assist with your temporary needs during this COVID-19 pandemic, even outside of normal business hours. Call now and let us know how we can support your mission.

CONTAMINATED?

According to the CDC, coronavirus can survive for up to 9 days on surfaces

CLEANING AND DISINFECTING

Cleaning is removing dirt from a surface. Disinfecting is killing the germs on a surface.
